

40 x 40 Show:
Celebrating 40 Years of the Newport Visual Arts Center
Call for Artists

Sponsored by the Coastal Arts Guild and American Easel

Exhibit: March 5 – March 27, 2022

The Coastal Arts Guild (CAG) is looking for artists to purchase a cradled panel for \$40, create a piece of art on it and return it for display and sale at the March 2022 exhibit at the Newport Visual Arts Center.

Artists keep all proceeds from the sale of their artwork with no commission. Funds from the sale of the panels go towards the VAC Ceramics Studio operations.

RULES FOR ENTRY

The show is open to all and will be juried once hung with prizes and awards.

Accepted mediums include all physical painting and drawing media, photography, mixed media and 3D work as long as the work fits within the panel dimensions. Panels can be hung portrait or landscape as a panel or shadow box.

All works must be created on the 8" x 10" x 3/4" cradled panels purchased from the VAC.

Artwork must be original to the artist and must not have previously exhibited at the VAC.

The VAC reserves the right to reject artwork that crosses acceptable boundaries. This would include misogynistic or racist imagery, depiction of extreme violence or graphic sexuality, and objectionable political or religious imagery.

Piece must be priced at \$250 or less. No commission will be charged. Funds will be collected from buyers and then dispersed to artists within 30 days of the end of the exhibition. The artist and buyer will arrange delivery/shipping costs.

Work that is sold will remain on exhibit for the entire duration of the show and the artist may not arrange for the work to be sold outside the VAC during that time.

Artists will deliver and collect their pieces during designated take-in and pick up hours. There is a \$10 storage fee (per piece) for late pick ups.

Finishing guidelines:

Total presentation must be dry, clean and free from lint, hair, spots, fingerprints, and scratches.

Cradled panels should not be framed, but panel edges must be clean and finished. No staples or blobs of glue showing.

CAG will attach all hanging hardware and wire.
